CleanShield

Vergin CPE Gown with Thumb Holes

CPEG45

The Disposable Gown is made from durable yet flexible cast polyethylene (CPE), offering complete liquid resistance and reliable protection against splashes, fluids, and contaminants.

Its one-piece, long-sleeve design provides full front-body coverage, while the adjustable back-tie closure ensures a secure and comfortable fit for a wide range of body sizes. Lightweight yet durable, this gown is ideal for food processing, sanitation, washdown operations, and other wet-work environments where superior liquid protection is essential.

Application

- Food Processing
- Pharmaceutical
- Dental
- Laboratory
- Clinics
