CleanShield

Acrylic Earplug Dispenser

DPE01

The earplug dispenser keeps hearing protection clean, visible, and readily available near workplace entry points or high-noise areas. Its clear wall-mounted design allows quick supply checks and convenient access for employees. Easy loading and dispensing help reduce loose packaging and support consistent use of hearing protection throughout daily operations.

Applications

- Disposable earplugs
- Hearing protection stations
- Industrial workplace
- Food processing areas
- Warehouse and manufacturing areas
