CleanShield

Acrylic Glove Dispenser, 4 Boxes Capacity DPG04

The dispenser organizes four disposable glove boxes in one accessible wall-mounted station. Its clear construction makes sizes or glove types easy to identify and lets staff see when supplies are running low. By keeping multiple options together and off work surfaces, it supports efficient glove changes, cleaner storage, and better workplace organization.

Applications

- Disposable glove boxes
- Medical and healthcare facilities
- Food processing areas
- Laboratory
- Janitorial
- Industrial workplace
