CleanShield

Acrylic Haircover Dispenser

DPH01

The hair-cover dispenser keeps disposable headwear protected, visible, and easy to access at hygiene-control points. Its clear wall-mounted body allows quick stock checks and straightforward refilling without taking up valuable counter space. The dedicated storage area helps maintain orderly gowning stations and supports consistent hair-containment practices across busy operations.

Applications

- Disposable haircovers
- Food processing areas
- Laboratory
- Pharmaceutical
- Janitorial
- Industrial workplace
