CleanShield

LittleEar Metal Detectable T-Shape Earplug FE099M

Clean Shield Metal Detectable T-Shape Earplugs provide comfortable, corded hearing protection with NRR 31 dB / SNR 35 dB performance. Made from soft PU foam, the T-shape design allows easy insertion, while the blue metal-detectable material supports food processing safety and visibility.

Technical Specifications

Color:	Orange with Blue
Style:	T Shaped Metal Detectable Earplug
Material earplug:	PU Foam
Design:	Metal detectable earplug with cord
Noise Reduction Rating (NRR):	31 dB
Single Number Rating (SNR):	35 dB
Shelf Life:	3 years
Country of Origin:	China

Features

- Metal detectable design supports food industry safety
- Embedded metal ball helps detection by automated inspection systems
- Soft PU foam expands gently for a comfortable fit
- Corded style helps reduce loss during use
- Flat-packed for convenient dispensing
- Provides effective protection in high-noise environments

Packaging

100 PAIRS / PAIRES x 10 BOXS / BOÎTES =1000 PAIRS / CASE / PAIRES / CAS
