Latex 1/2 Coated Work Gloves

LPP300

The work glove is built for general handling tasks that benefit from extra grip and a comfortable, flexible fit. Its breathable knitted shell supports natural movement, while the coated palm helps maintain control of cartons, tools, and materials. A secure wrist keeps the glove in place during active warehouse, packing, maintenance, and light production work.

Application

- General purpose handling
- Packing and assembly work
- Warehouse and material handling
- Light industrial tasks
