CleanShield

LatexShield Examination Gloves

LW50

This product is made from premium natural latex to provide a comfortable fit, excellent flexibility, and reliable protection. The soft, elastic material conforms to the hand, delivering outstanding comfort, dexterity, and tactile sensitivity during extended wear. As a medical examination glove, the product is manufactured to meet stringent quality and performance standards, providing dependable barrier protection in hygiene-sensitive environments. It is well suited for medical, laboratory, pharmaceutical, food processing, food manufacturing, food service, and quality control applications where cleanliness, safety, and product integrity are essential.

Technical Specifications

Colour: White

Thickness: 0.08 mm

Length: 240 mm

Sizes	Width	Weight
S	80 mm	5.0 g
M	95 mm	5.8 g
L	110 mm	6.4 g
XL	120 mm	7.0 g

Physical Properties	Unaged	Aged (22hr, 100c)
Tensile Strength at break	15 MPa (min)	
Elongation at break	400 %	

Features

- Superior stretch and strength.
- Powder-free
- Beaded cuff

Compliance

- Canadian Medical Device License
- EN 455 Parts 1, 2, 3, 4
- EN 374 (CE2777)
