CleanShield

Blue-Touch Nitrile Reusable Gloves

NB8013

This product is a premium nitrile glove designed to provide durable hand protection and excellent resistance to oils, grease, detergents, solvents, and other common chemicals. Its 8 mil nitrile construction offers an ideal balance of flexibility, comfort, and long-lasting performance for extended use. The 13-inch length provides additional wrist and forearm coverage, helping protect against splashes and workplace contaminants. Compliant with FDA food-contact requirements, the product is well suited for food processing, food production, sanitation, agriculture, and general industrial applications where hygiene and chemical protection are essential.

Application

- Food Processing
- General Industrial
- Painting / Finishing
- Food Production
- Degreasing & Cleaning

Technical Specification

Colour	Blue
Length (mm) ± 5 mm	320 mm (13")
Thickness ± 0.03 mm	0˙20 mm (8 mil)
Tensile strength : minimum	≥ 10 MPa
Elongation : minimum	≻ 500%
AQL (Pinholes)	AQL 1.0

Size	Width (mm) ± 5
S	98
M	102
L	114
XL	125

Features

- Premium nitrile, latex-free
- Excellent abrasion resistance
- Strong grip and elasticity
- Reliable oil, grease, and chemical resistance
- Good dry and wet grip
- Durable barrier protection

Packaging

12 PAIRS / PAIRES x 12 BAGS / SACS = 144 PAIRS / CASE / PAIRES / CAS
