CleanShield

DiamondShield Nitrile Examination Gloves NO80

The orange nitrile glove is designed for heavy-duty and demanding applications where durability, grip, and reliable protection are essential. Its diamond-textured surface provides a secure grip in wet, dry, and oily conditions, helping improve handling and control during tough jobs. The high-visibility orange colour allows for easy visual identification, supporting compliance and helping improve safety in busy work environments. Suitable for food contact, the product supports food safety and hygiene programs and is well suited for food processing, healthcare, sanitation, janitorial, and industrial applications where dependable performance is required.

Features

- Diamond Textured Surface
- Beaded & Ambidextrous
- Powder Free, Latex Free
- Non Sterile
- AQL 1.5

Technical Specifications

- Colour: Orange
- Thickness: 8 mil
- Length: 9.5" (240 mm)

Sizes	Width	Weight
M	94 mm	8.6 g
L	105 mm	9.4 g
XL	113 mm	10.4 g
XXL	123 mm	10.8 g

Physical Properties	Unaged	Aged (22hr, 100c)
Tensile Strength at break	14 MPa (min)	
Elongation at break	500 %	400 %

Compliance

KPT TYPE B

VIRUS

- ASTM D6319
- EN 455 Parts 1, 2, 3, 4
- EN ISO 374
- EN 16523-1
