CleanShield

LightblueShield Nitrile Examination Gloves — NSB35

LightBlueShield® Nitrile Examination Gloves are lightweight 3 mil gloves that provide excellent tactile sensitivity, durability, and reliable chemical resistance. The micro-textured surface ensures a secure grip, while the super-soft formulation delivers enhanced comfort and a bare-hand feel for extended use. Made from premium nitrile material, the product gloves are powder-free, latex-free, and contain no natural rubber proteins, helping to minimize allergy concerns while maintaining excellent strength and flexibility.

Ideal for healthcare, food handling, agriculture, janitorial, and general industrial applications where comfort, protection, grip, and dexterity are essential.

Features

- Latex Free, No Natural Rubber Protein
- Powder Free, No Cornstarch
- Micro Textured Surface for Secure Grip
- Enhanced Comfort Super Soft
- AQL 1.5
