# CleanShield

## SkyShield Nitrile Examination Gloves — NSB45

SkyShield® Nitrile Examination Gloves are designed for reliable protection and everyday comfort across professional and general use. They provide consistent barrier protection while maintaining flexibility, tactile sensitivity, and secure handling for routine tasks.

Made from premium nitrile, the product gloves are powder-free, latex-free, ambidextrous, non-sterile, and free from natural rubber proteins or cornstarch. They feature a finger-textured surface and beaded cuff for improved grip and a secure fit.

Ideal for food handling, agriculture, medical and healthcare, cleaning and janitorial work, and light industrial applications where hygiene and dependable hand protection are essential.
