String Knit Gloves with PVC Dots Palm – 10 Gauge

PCDG01

The Glove combines all-day comfort with enhanced grip for everyday handling tasks. Made from a breathable cotton and polyester blend, it provides a comfortable fit for extended wear and repeated use.

The PVC dots on the palm improve grip and handling of dry objects, helping reduce slipping while maintaining dexterity. Well suited for food processing, bakeries, warehousing, packaging, assembly, and general manufacturing, the product offers a practical and economical solution for light-duty applications.
