CleanShield

Premium Disposable PE Apron– 1.5 mil

PEA15

The Apron provides lightweight, fluid-resistant protection to help keep clothing clean in hygiene-sensitive work environments. Its disposable design allows for quick changes, while the adjustable waist tie provides a secure and comfortable fit for different users. Suitable for food contact, the product supports food safety and hygiene programs by helping reduce cross-contamination between workers and products. It is ideal for food processing, seafood, meat packing, bakeries, and food service where protection from water, oils, and food splashes is essential. Multiple colour options support department identification and colour-coding programs.

Application

- Food Processing
- Fisheries / Seafood
- Dental
- Janitorial
- Food Service

Technical Specifications

Colour	White / Yellow / Blue / Red / Green
Length	46" ± 5 mm
