CleanShield

Disposable PE Sleeve

PES1018

The disposable sleeve provides simple, hygienic arm coverage for routine work in controlled environments. Its lightweight construction allows comfortable movement and makes it easy to layer over uniforms or other protective clothing. Secure ends help the sleeve stay in position during use, supporting efficient changes and consistent protection without adding unnecessary bulk.

Applications

- Food Processing
- Pharmaceutical
- Laboratory
- Industrial
- Janitorial

Technical Specifications

Color:	**White** **Blue** **Red**
Material:	100% Virgin Polyethylene (PE)
Thickness:	1 mil
Length:	18 Inch
Width:	8.7 Inch
Country of Origin:	China

Features

- 1mil thickness
- Machine-made consistency
- Latex-free and allergy-free
- Smooth, comfortable finish
- Disposable and hygienic
- Double elastic at wrist & elbow
- Lightweight and flexible

Packing

100 Each/Bags Pièces/Sacs x **20** Bag Sacs = **2000** EACH/CASE PIÈCE/CAS

Compliance
