CleanShield

# PolyShield Disposable Gloves

# PG09C

The polyethylene glove provides a quick, economical barrier for short-duration tasks and frequent glove changes. Its loose, lightweight fit makes donning simple, while the textured surface supports better handling than a smooth film. Flat-packed dispensing helps keep high-volume work moving efficiently in food service, cleaning, preparation, and general hygiene routines.

## Technical Specifications

| | | |
|---|---|---|
| Material: | Polyethylene (PE) | |
| Thickness: | 0.0151 mm | ±10% |
| Weight: | 1.2 g | ±0.1g |
| Width: | 26 cm | |
| Length: | 30 cm | ±0.1cm |
| Color: | Clear | |
| Country of Origin: | China | |
