CleanShield

PolyShield Disposable Gloves PG360B

The polyethylene glove extends protection well beyond the hand for tasks involving splashes, messy products, or deep containers. Its lightweight disposable construction allows quick changes without adding heavy bulk, while the long profile helps cover the arm and clothing. It supports hygienic handling where standard wrist-length gloves do not provide enough reach.

Technical Specifications

Color:	Blue	
Material:	Polyethylene (PE)	
Thickness:	0.0284 mm	±10%
Weight:	7.5 g	±0.1g
Width:	28.5 cm	
Length:	36 Inch	±0.1cm
Country of Origin:	China	

Features

- Powder-free
- PVC-free
- Latex-free
- Lightweight and economical
- Non-toxic and anti-allergic
- Flat-packed for convenient dispensing
- Waterproof and hygienic
- Helps protect hands from bacteria and surface contaminants

Packing

100 GLOVES GANTS x 10 CASE CAS = 1000 GLOVES GANTS
