CleanShield

Over Glasses Safety Glasses SGHF001

Over Glasses Safety Glasses are designed to fit comfortably over most prescription eyewear, providing clear vision and added eye protection in workplace environments. The 4-curve clear polycarbonate lens offers UVA and UVB protection, while the integrated side shield and vented temple design help improve coverage and comfort. Lightweight and easy to wear, they are suitable for general workplace safety, visitor protection, maintenance, inspection, and light industrial use.

Technical Specifications
