CleanShield

Adjustable Black Frame Safety Glasses SGHF007

Wraparound Safety Glasses are designed to provide clear vision and reliable eye protection with a traditional wraparound style. The polycarbonate lens offers wide coverage with integrated side shields, while the adjustable temples allow a more comfortable fit. Lightweight and easy to wear, they provide 99.9% UVA and UVB protection and are suitable for general workplace safety, maintenance, inspection, visitor protection, and light industrial use.
