CleanShield

Sport Safety Glasses with Flexible Temples

SGHF022

Adjustable Safety Glasses are designed to provide clear eye protection with a lightweight 10-curve polycarbonate lens for wide coverage. The vertically adjustable ratcheting side arms allow a more customized fit, while the built-in rubber nosepiece and rubber temple tips help improve comfort and reduce slippage. Suitable for general workplace safety, inspection, maintenance, visitor protection, and light industrial use.

Technical Specifications

Lens Base:	10 Curve
Overall Length (Lens-Tip):	170 mm
