CleanShield

Safety Glasses with Non-Slip Temples SGHF023-D

Dark Lens Adjustable Safety Glasses are designed to provide eye protection with a comfortable wraparound fit and reduced glare in bright work environments. The dark polycarbonate lens includes integrated side shields for added coverage, while the anti-fog and anti-scratch features help maintain visibility during use. Horizontally adjustable ratcheting side arms and soft adjustable nose pads provide all-day comfort, making them suitable for outdoor work, inspection, maintenance, visitor protection, and light industrial applications.

Technical Specifications

Lens Base:	10 Curve
Overall Length (Lens-Tip):	150-155 mm
Overall Width (Hinge-Hinge):	145 mm
