CleanShield

3 Ply Earloop Face Masks -ASTM Level 1 SMFM25B-L1

Lightweight and breathable disposable face masks designed for general protection, comfort, and hygiene. Constructed with three layers including melt-blown filtration material between nonwoven fabrics for effective filtration performance.

Features

- Latex-free
- 3-layer high-efficiency filtration
- Soft and non-irritating material
- Comfortable elastic earloops
- Form-fit adjustable nose clip
- Lightweight & breathable

Technical Specifications

• Colour:	Blue
• Earloop Length:	6 1/2"
• SPP Nonwoven + Melt-Blown Fabric Weight:	25 + 25 + 25 GSM
• BFE (Bacterial Filtration Efficiency):	≥ 95%
• PFE (Particulate Filtration Efficiency):	≥ 95%
• Blood Penetration Resistance:	80 mmHg
• Differential Pressure Test:	< 5.0 mm H_2O/cm^2
• Made in:	China

Application

- Working at Food Industries
- Fisheries / Seafood
- Medical Facilities
- Bakery
- Kitchen Work
- Laboratory
- Beauty / Aesthetics
- Assembly-line Work

Packaging

50 PIECE / PIÈCE x 40 BOXS / BOITES = 2000 PIECE/CASE / PIÈCE / CAS

Compliance

- ASTM F2100 Level 1
- ASTM F2101 (BFE Test)
- ASTM F1862 (Synthetic Blood)
- EN 14683 (ΔP Breathability)
