CleanShield

Heavy Duty Green Scouring Pad

SP69-M

The green scouring pad delivers strong, consistent scrubbing for baked-on food, grease, and other stubborn kitchen residue. Its durable open-fibre construction maintains cleaning action across repeated use and rinses easily between tasks. The familiar pad format is simple to handle and supports efficient maintenance of cookware, grills, utensils, and hard work surfaces.

Application

- Working at Food Industries
- Heavily Baked-on Food Removal
- Kitchen Utensils
- Kitchen Work
- Household

Technical Specifications

• Size:	6" W × 9" H
• Weight:	24 g (± 2 g)
• Material:	Nylon
