CleanShield

# Terry Cloth Seamless Gloves w/ Knit Wrist

# TG120

The terry-cloth glove provides comfortable protection for brief contact with warm surfaces during food preparation and light industrial work. Its soft, seamless construction reduces irritation and supports natural hand movement, while the fitted wrist helps keep the glove secure. Reusable materials make it a practical option for recurring tray, cookware, and equipment handling.

## Applications

- Food Preparation
- Food & Beverage Processing
- Industrial / Manufacturing
- Kitchen / Bakery
