CleanShield

Premium TPU Die Cut Gown – 6 mil

TPUG60

The reusable gown provides broad water-proof coverage for demanding processing environments where splashes and repeated cleaning are routine. Its flexible film moves comfortably with the wearer, and the smooth surface releases residue easily during sanitation. Built for repeated use, it offers a durable alternative to disposable garments in wet production and washdown operations.

Application

- Food Processing
- Fish & Seafood Processing
- Meat & Poultry Processing
- Fruits & Vegetable Processing
